EMERGENCY KITS ELECTRIC

MAKE SURE YOU ARE ALWAYS PREPARED FOR AN EMERGENCY.

The range of parts included in our new "Emergency kits electric" has been trimmed down so that now only the truly necessary parts are included. The redesign ensures that you can quickly find the part you are looking for.

UPDATES AT A GLANCE:

- > Range of parts reduced
- > Number of units reduced
- > Customer-friendly transport box
- > Convenient overview of contents

BENEFITS OF THE REDESIGN:

- > Price of many kits reduced
- > Organised packing to quickly find the parts you need
- > Easy handling and storage of the kits
- > Quick response times in the event of machine downtime
